- 2016 Member of the Womens Dermatologic Society(USA) International Affairs Committee and the International Chapters Task Force
- 2016 African Representantive for the Acne Guidelines International group meeting held in Greece, Athens Nov 2016

2017 National Research Foundation (NRF) C1 Rated Researcher; The C1 rating is for established researchers with a sustained recent record of productivity in the field who are recognised by their local and international peers as having: produced a body of quality work, the core of which has coherence and attests to ongoing engagement with their field of expertise. The C1 rating means while all reviewers concur that the applicant is an established researcher (as described), most of them indicate that she already enjoys considerable international recognition for her high quality recent research outputs.

## **DRUG TRIALS**

Conducted **more than 18 Drug trials** both as **Principal investigator and Co-investigator**.

## **INNOVATION and LEADERSHIP IN THE DEPARTMENT OF DERMATOLOGY, NRMSM**

- Started the **first teledermatology clinics in South Africa**, with Port Shepstone as the pilot project and encouraged colleagues to adopt other rural hospitals and run similar clinics. This has been running smoothly for the past 8yrs.
- Instrumental in **establishing combined Dermpathology meetings** which have been running for the last 10yrs.
- Instrumental in **implementing Mock exams for the Postgraduate** students which have been running for the past 8yrs resulting in good pass rates and 3 medals for the postgraduate Dermatology college exams.
- **Instrumental in establishing Subspecialities in Dermatology** and to date has been successful in securing International Scholarships for 4 junior consultants to study abroad:
  1. Dr Morar completed his PhD in Oxford, UK in 2008
  2. Dr Hlela completed her PhD in Oxford UK in 2010
  3. Dr Chateau completed her Paediatric Dermatology Fellowship in Chicago 2011
  4. Dr Moodley completed his Dermsurgery fellowship in Dermsurgery, UK 2011
  5. Dr M Morale has just completed her 1month attachment in New York as a visiting fellow., July 2013
- **Instrumental in developing Rural Dermatology** and establishment of other Dermatology Departments in South Africa via mentorship and nurturing of junior consultants. Mentored and trained more than 8 dermatology leaders and all are HOD's in their respective hospitals.
  1. Dr Magigaba is the HOD and started a Derm Dept in Port Elizabeth , Livingstone hospital,

2. Dr Mankahla is the HOD and has started a department in Walter Sisulu University in Umtata in the Eastern Cape.
  3. Dr Mkhize is HOD at Edendale Hospital in PMB
  4. Dr Chateau is HOD and running the Derm Departments at Greys and Edendale hospital in PMB.
  5. Dr Siza Mazibuko, Clinical Bloemfontein
  6. Dr Ntombela, Madadeni Hospital
  7. Dr Ntsele, Ngwelezane Hospital
  8. Dr Miriam Rihantse, Thema Hospital, Brakpan
- Has been organising annual workshops for Medical students for the past 5yrs, the aim is to encourage African students to pursue postgraduate studies, the aim of which is building capacity and transforming the University. Was awarded the best teacher by undergraduate medical students in 2000.
  - Has been instrumental in **fostering transformation in the Dept of Dermatology**, and to date the Dept is the most transformed in UKZN Medical faculty in terms of demographics and gender equity, with 70% African Registrars, 80% of which are female, and 66% African Consultants. Since my qualification as the first African dermatologist at UKZN, I have since nurtured and groomed 20 African dermatologists, 15, of which have completed their training and the rest are still training as registrars.
  - **Instrumental in changing the face of Examiners for the College of Dermatologists.** During my tenure as a member of the College of Dermatologists in 2001, I was instrumental in making recommendations to the College of Dermatologists to have at least one examiner representing each University and also ensure that all the racial groups are fully represented in the exams. This has since been adopted as policy by the College of Dermatologists.
  - Instrumental in seeking constructive feedback from Registrars who have completed their Dermatology Fellowship Exams, in order to ensure quality assurance and improve the standard of our Dermatology Exams on an ongoing basis.
  - Organised and chaired the recent successful College of Dermatology workshop in an attempt to standardise the College of dermatology fellowship exams, Feb 2013
  - Established collaboration with Prof Chrys Schmultz, Harvard University and Columbia University to run and establish the first and only Dermsurgery course at UKZN 2013-2017.

- Initiated teambuilding workshop to establish teamwork and create positive ethos and morale within the department of Dermatology, April 2013
- Awarded the “**2015 MEC Leadership, Excellence and Innovation Award** for raising half a million to refurbish the skin clinic at KEH.
- **May 2016:** Director of the 1<sup>st</sup> Primary health care dermatology outreach programme in the province of KZN. Working in partnership with Direct Relief (USA) to implement a nursing education mission to educate rural/ peripheral nurses and medical officers on how to manage common skin conditions. Funding to the value of **R900 000** has been assigned to the initiative.
- **August 2016:** Succeeded in steering a partnership between the University, Department of Health and private partnership (Cosmetic Society of SA, and Dermatology Society of SA) to embark on a massive anti skin bleaching campaign to the value of **R500 000** *march planned* for August 2016.
- **September 2017:** Director of the 1<sup>st</sup> Primary health care dermatology outreach programme in the province of Eastern Cape. Working in partnership with Direct Relief (USA) to implement a nursing education mission to educate rural/ peripheral nurses and medical officers on how to manage common skin conditions. Raised funding to the value of **R500 000** has been assigned to the initiative
- **July 2017:** Awarded and nominated as the member of the **prestigious American Dermatology Association** and was inducted in Boston July 2017, first and only dermatologist from Africa to be endowed with this recognition for contribution in outreach and research in Africa.
