Glossary of terms

Abstract
An abstract is a brief summary of a dissertation or thesis (or a research article, review, conference proceeding or any in-depth analysis of a particular subject) and is often used to help the reader quickly ascertain the purpose and essence of the content of the document.

Academic Year
This specified period delineates the academic activities of a specific year. It stretches from the date of registration at the commencement of a student’s study in an academic year and terminates on the last scheduled date for registration in the subsequent academic year.

Admission Points (AP)
A calculation based on a student’s certified levels of achievement in Grade 12 of secondary schooling provided that the student has also attained the required entry level for post-secondary first-qualification studies.

Applying for Admission
The process by which a person’s personal and other data are captured on the University’s database yet does not bestow SMU student status on an applicant.

Assessment
The process of determining a student’s capability by observing and evaluating performance using a range of methods benchmarked against standards.

Block Release
A period of study that a student undertakes during a fixed time-frame over and above the normal contact period; otherwise defined as a fixed period during which part-time students present themselves for tuition.

Chancellor
The titular head of a university.

Compulsory Ancillary Module/Course
A module/course, which has to be passed before a learning programme is completed.

Continuous Assessment
A variety of assessments, including formative methods, given during a learning process.

Credit Recognition
Transfer of credits may be granted to students in recognition prior to studies completed at an appropriate level as recognized by the University. Full credit for a module/course already passed at this University; or an accredited, equivalent institution of higher learning is granted. Transfer credits will be counted towards meeting the credits required to complete a qualification from the University. Students are not required to take the modules/courses for which credit transfer has been granted. Since students may be pre-registered with modules/courses at the start of a semester, students are required to take the initiative to drop the module(s)/course(s) for which credit transfer has been approved. (Read this entry in conjunction with “Exemption” below).

Curriculum
The related modules/courses from one or more disciplines that form part of the programme over the specified period in which students have to achieve the requisite learning outcomes and graduate attributes.

Cum Laude
A qualification obtained with an average distinction mark over all modules/courses as determined by the School rules.
Deputy Vice-Chancellor - Teaching, Learning and Community Engagement
The person responsible for all teaching, learning and community engagement activities within the undergraduate programmes. This relates to the quality assurance of existing programmes, accreditation for new programmes, and ensuring that the learning environment is conducive towards student academic performance.

Discipline
A coherent branch of knowledge and theory.

Dissertation
A comprehensive long essay reporting on study and research findings with a defined number of credits for a Research Master’s degree.

Distinction Mark
A final mark of 75% or more achieved in a module/course.

Exemption
An exemption may be granted for a module/course, rather than credit, if the student can demonstrate learning and understanding of the content of that module/course through previous study or professional experience. Module/course exemptions are usually only granted for compulsory modules/courses and those which form a prerequisite for other modules/courses. If a module/course exemption is granted, no credit value is assigned. This means that the exemption does not count towards the credits or module/course requirements for the programme, nor towards any majors or minors. Students are required to take other modules/courses to make up the credits required for fulfilling the qualification requirements. (This should be read in conjunction with Credit Recognition above.)

Extended Curriculum Programme
Degree programme extended by one year beyond the normal duration.

External Assessor
A person who has no affiliation with the University and who assesses examinations scripts, oral examinations and/or practical examinations, research reports, dissertations and thesis.

Final Mark
The weighted average of the formative assessment mark and the summative assessment mark in a module/course.

Formative Assessment
Assessment that takes place during the process of learning and teaching, to inform learning and teaching strategies for improvement as well as give an indication regarding the readiness of the student to cope with summative assessment.

Formative Assessment mark
The mark obtained through continuous assessment in a module/course.

Internal Assessor
An academic staff member appointed formally for the purpose of assessing a research report, dissertation or thesis and who served as neither the supervisor nor co-supervisor for the student involved.

International Student
A person who is not a South African citizen and does not have a permanent resident permit.

Lecturer
A person that educates at an institution of higher learning. This is a member of the faculty of a college or university.
**Mini-Dissertation**
A research component for a Coursework Master's degree.

**Module/Course**
A self-contained unit of study with a defined number of credits.

**National Certificate (Vocational) Admission Points (VAP)**
A calculation based on a student’s certified levels of achievement in the school-leaving NC(V) certificate, provided that the student has also attained the required entry level for post-secondary first-qualification studies.

**Occasional Student**
A person who satisfies the following conditions:
- She or he satisfies the statutory requirements for admission to the applicable formally approved qualification offered by the institution.
- She or he complies with the prerequisite(s) and/or conditions of the module as specified in the school rules.
- She or he is, with the dean's permission, enrolled for a module that forms part of the curriculum of a formally approved qualification.
- She or he is not registered for an approved qualification.

**Part-Time Student**
A student engaged in other occupations (such as full-time employment) and who can devote only part of his or her time to contact studies.

**Part-Time Study**
Contact studies done on a part-time basis.

**Pass Mark**
A minimum final mark of at least 50%, or higher if so defined in the School Rules and/or required by the relevant discipline's professional body, achieved in a module/course.

**Prerequisite of a Module/Course**
Specified learning required for the registration of a module/course.

**Programme**
A purposeful and structured set of learning experiences, defined by a coherent grouping of modules/courses that leads to a qualification.

**Qualification**
The certification of the achieved learning outcomes of a programme expressed in terms of an accumulation of credits at specific levels. A qualification represents a student's demonstrated achievement in a planned and purposeful combination of learning outcomes.

**Recognition of Prior Learning**
A formal mode of recognising skills and competencies gained outside formal learning structures for purposes of placement or the granting of credit or exemption.

**Registration**
A contractual agreement annually entered into by the University and the aspirant student, which is subject to prescribed procedures and by virtue of which she or he is granted student status.

**Research Report**
A short research report as a component of study towards completion of a qualification.

**Rusticate**
A form of punishment, not as severe as expulsion, whereby a student is denied continued registration for a laid down period, usually for one or more years, but may be readmitted upon application once the sanction is complete.
Semester
A study period extending over half of the academic year.

Shelf Life of a Module/Course
All modules/courses have a maximum shelf life equivalent to a minimum period within which to obtain the qualification unless otherwise specified in School Rules, but continue to enjoy recognition beyond this period during continuous registration for the same qualification.

Statutory Registration
Registration with the requisite professional body.

Summative Assessment
Assessment, which integrates all learning of a module/course. It is an indicator of competency and leads to credits, which are recorded and reported.

Summative Assessment Mark
The mark obtained through summative assessment in a module/course.

Supplementary Assessment
Assessment granted to a student for purposes of assessing knowledge through the process of re-assessment.

Syllabus
The content of a module/course.

Thesis
A manuscript prepared for examination purposes, which represents a distinct contribution to the knowledge of, and insight into, a subject and provides proof of originality, either by the presentation of new facts or by the exercise of independent and critical thought, and which is presented by the student in partial or full compliance with the requirements for a doctorate from the University.

Vice-Chancellor
A person who is the principal of the University. They run the day-to-day running of the University.

Weighted Average
A weighted average percentage differs from an average percentage in that it returns a number that depends on the variables of both value and weight.

Example:
When a student obtains a 70% semester or year mark and a 50% examination mark then the final average mark is 60% \((70 + 50)/2 = 60\%\) (average).

If the assessment ratio for a module/course is 60 to 40, meaning a 60% contribution from the semester or year mark and the examination mark contributes 40% to the final mark, the calculation is as follows:
- 70% semester contributing 60% to the final mark \((70 \times 0.6) = 42\)
- 50% examination contributing 40% to the final mark \((50 \times 0.4) = 20\)

Thus Final mark is \(42 + 20 = 62\%\).

In short: Module/course mark = (semester mark x 0.6) + (examination mark x 0.4)
WELCOME TO ORIENTATION WEEK

What is orientation?
A process of adjustment or alignment of oneself or one's ideas to surroundings or circumstances. In this case, aligning ourselves to the university environment and activities.

Orientation week
Orientation week is a period at the beginning of the academic year at a university during which varieties of events take place to orient and welcome new students.

THINGS TO REMEMBER

- Always carry your student card
- Keep your valuable items safe
- Keep your timetable updated all the time
- Do not lend your cellphone or computer to anyone
- Do not lend your access card to anybody
- Lock your room and keep windows closed at all times
Mission

Provide high-quality primary health care-oriented health sciences research, education and services.

Deploy educational approaches that include evidence-based methods for curriculum development and delivery that are rooted in the community.

Promote interdisciplinary research, education and skills training that recognizes the cross-disciplinary nature of holistic health care provision.

Produce a cadre of health professionals with the transformative leadership capacity to identify, analyse and address the health needs of the individual, the family, the community and the population.

Create an environment that supports innovation and harnesses the power of new technologies to address the health needs of the community.

Vision

To be the benchmark institution providing holistic health sciences education that meets the health needs of the individual, the family, the community and the population.

Motto

'Knowledge for Quality Health Services'
MESSAGE FROM
ACTING VICE-CHANCELLOR

Dear Students and Families,

Welcome to Sefako Makgatho Health Sciences University (SMU), and thank you for having the good sense to choose to study at SMU and therefore taking the opportunity to learn more about us. SMU, the newest and the only health sciences-focused University in South Africa is increasingly becoming recognized as one of the finest health sciences University. Amongst our top priorities are academic excellence. For example, among others, within the five years of our existence we have become the host of one of the only two internationally recognized Bariatric centers in South Africa. Our Mecriu Clinical Research Unit, the Diarrhoeal Pathogens Research Unit (DPRU) and Tobacco Control policy research unit are centers of excellence that are also internationally recognized. SMU's clinical skills simulation training is one of the finest in the country and plans are advanced to improve this facility further by leveraging on the developments of the fourth industrial revolution (4IR) in this area. We are a center of excellence for antimicrobial stewardship and quality healthcare management. We have also introduced new streams in our BSc programme, namely Biotechnology and, Environmental management and Toxicology.

To the parents and guardians — for most, in 4 years, the young woman or man you bring to SMU will have matured far beyond your current imagination. You are making a major investment in her or his future, and I promise you a good return on that investment. The education she or he receives here will prepare her or him for a career, but much more important, it will prepare her or him for life.

Education is much more than your career preparation. In particular, an SMU education is preparation for not only a lifetime of earning, but a lifetime of learning. Here you will find exceptional experiences that allow you to grow and develop, explore new interests, and fully realize your potential. Producing a professional with transformative leadership capabilities
remains central to our mission as we commit to contribute to addressing the challenges of poverty, unemployment and inequality.

Becoming a part of SMU means you are part of a close-knit community that will support you from day one and help you achieve your vision of success. We will help you grow, discover, and realize your aspirations. Here you will find the guidance and support to realize your aspirations—whether you want to develop your leadership skills, explore your passion for the arts (SMU has got talents!), serve our community or conduct your own research. You will find mentors in our academic and non-academic staff and, through our campus’ rich social and cultural life, you will make connections and friendships that will last a lifetime.

I encourage you to visit our beautiful campus, meet our students and academic staff, and see for yourself the outstanding opportunities, activities, and facilities that SMU offers. The real keys to the SMU experience lie within each of our students and academic staff. Speak to them, and you’ll quickly discover their dedication to helping students flourish and grow in body, mind, heart and spirit. Talk with our students and you will meet active and engaged learners who seek to find powerful and effective ways to improve the lives of others. If you are ready for transformation, our vibrant, supportive community is here to help you realize your full potential and propel you into a rich, balanced and successful life.

Welcome again to SMU, where no boundaries exist on the map of knowledge. I welcome you to the most wonderful years of your life.

#WeAreSMU
With best wishes,

Prof O Ayo-Yusuf
Acting Vice-Chancellor

Who are we?

When was SMU established?

SMU was established when the Minister of Higher Education, Science and Technology, Dr Blade Nzimande in terms of section 20 of the Higher Education Act 1997 (Act 101 of 1997) promulgated the Sefako Makgatho Health Sciences University (SMU) in the SA Government Gazette no: 37658 of 16 May 2014.

The promulgation followed the announcement made in 2011, by Minister Nzimande, when he announced his intention to separate Medunsa Campus Unit, from University of Limpopo. The minister's intention was based on the findings and recommendations of the task team that was established and led by Prof Malegapuru Makgoba, former Vice-Chancellor of University of Kwa-Zulu Natal (UKZN) and Dr Max Price, the former Vice-Chancellor of University of Cape Town (UCT).
When did SMU open its doors?
The University opened its doors on 1 January 2015 after the Medunsa Campus was uncoupled from the University of Limpopo and incorporated into SMU.

Which courses are offered at SMU?
SMU focuses on health and science courses as part of government plans to expand access to education and training opportunities for the youth, by increasing the number of young people in education, training and employment.

Where is SMU located?
SMU is located in Ga-Rankuwa Township (next to Dr George Mukhari Academic Hospital).

GPS Coordinates: 25°37’8”S 28°1’22”E

How do I apply to study at SMU?
Visit: www.smu.ac.za

Who is Sefako Makgatho?
SMU is named after a highly acclaimed politician, journalist, educationalist and theologian who championed the struggle for South Africa that is democratic, non-racist and equal.
SCHOOLS AND UNDERGRADUATE PROGRAMMES OFFERED BY SMU

**School of Health Care Sciences:**
- Bachelor of Sciences in Dietetics
- Bachelor of Nursing Sciences & Arts
- Bachelor of Occupational Therapy
- Bachelor of Physiotherapy
- Bachelor of Speech-Language Pathology & Audiology

**School of Medicine:**
- Bachelor of Diagnostic Radiography
- Bachelor of Medicine and Bachelor of Surgery

**School of Oral Health Sciences:**
- Bachelor of Dental Surgery
- Bachelor of Dental Therapy
- Bachelor of Oral Hygiene

**School of Pharmacy:**
- Bachelor of Pharmacy

**School of Science and Technology:**
- Bachelor of Science

**NB:** All Schools offer a variety of post-graduate studies. Refer to the General Calendar for further details.
Library and Information Services advance academic success and supports research as well as community engagement by providing access to quality health sciences information resources and services, technology, learning spaces and staff expertise.

We offer University's students access to information resources in different formats along with services and facilities to optimize access and use of these resources. The library building is also equipped with Wi-Fi to enable you to access a range of other services like internet and email. Our staff offer their expertise in answering your library-related queries as well as information skills training for individuals and groups. Library and Information Services has put in place programmes, services and collections geared towards supporting your learning needs.

After the orientation week, you will also get more training and practicals in the usage of the library; using the computerized catalogue to check information resources in the library, how to access & use our information resources to complete your assignments and study projects.

On behalf of the Library and Information Services, I urge you to make the library a trusted and reliable partner in your academic journey.

Services
- **Information Literacy**: Provides training on how to use the library resources effectively.
- **Reserve Collection**: high demand material for short loans.
- **Open Collection**: Items available for borrowing.
- **Information Desk**: A service desk for general inquiries
- **Ask a Librarian**: A facility for online help.

Collections
- Books: Print and electronic
- Periodicals: Print and electronic
- Electronic Databases
- Theses and Dissertations: print and electronic
- CD and DVD's
- Exam papers in electronic format
- Facilities
- 24 hours study facility(basement of BMS building)
• Air Conditioned Study space
• Study Cubicles
• Open Computer Lab for Internet and Typing
• Internet Access with WIFI

• Seminar/ Discussion rooms with projectors, screens and boards
• Photocopying and printing
• Electronic training room
• Staff & Postgraduate Room

Physical address: next to BMS building

Library website: http://www.smu.ac.za/library/
The SMU strategic priorities for research, postgraduate studies and innovation are based on three central pillars (i.e. the 3 Ps: Practice, People and Place), supported by the SMU business processes and ICT systems, and are:

- To achieve research of the highest quality and integrity (Practice);
- To support and develop excellent people with talents (current academics & postdocs); and
- To have an impact beyond academia, which yields economic and socio-cultural benefits at regional, national and international level (Place).

There are three key research and postgraduate education strategies which are:

- Establishing a reputation for research excellence;
- Improve research and innovation impact, visibility and funding; and
- Increase postgraduate output and throughput.

### Services Rendered
- Grant management
- Research Ethics administration
- Research output (publications) management
- Funding opportunities (bursaries and scholarships e.g. NRF, MRC, HWSETA)
- Internal research incentives administration
- Research capacity development workshops and courses

### Physical Address
Clinical Pathology Building, 5th Floor

### List of Staff Members and their Job Titles
- **Dr Sandile Williams**: Director for Research and Grants Support
- **Prof Mapaseka Seheri**: Director for Postgraduate Studies, Research Capacity Development, Integrity and Ethics
- **Ms Elsie Monkwe**: Research Administration Officer
- **Lorato Phiri**: Human and Animal Ethics coordinator
- **Ms Jadah Matentji**: Research Administration Officer
- **Ms Joyce Mokono**: Research Grants Management Coordinator
- **Ms Fulufhe Malamatsho**: Research Capacity Development Coordinator

### Contact Details

  Tel: 012 521 3956 | Office No: S519
Community engagement refers to the initiatives and processes through which the expertise of the institution in the areas of teaching, learning and research are applied to address issues relevant to its community. For SMU, community engagement is a process of integrating inter-professional education and practice with mutual benefit to both the institution and receiving community.

Figure 1: The types of engagements, interactions and integrations
<table>

Financial Aid Office

Services rendered

Merit Bursaries
As a first year student, you would qualify to receive a merit bursary if you are studying towards the first degree for the first time after grade 12. An average mark of 70% or higher in your grade 12 final examination is needed to qualify for the bursary.

The average is calculated as follows:
- The Old Curriculum, Matriculation Certificate
- Add the percentages of (six best) of the final exam results and divide by (six).
- On the New Curriculum, Senior Certificate
- Add the percentage of all subjects (excluding Life Orientation) and divide by the number of those subjects.

Bursaries/Scholarships
Students are urged to apply for external bursaries at different companies, government departments and municipalities. Addresses are available at http://bursaries-southafrica.co.za and at the Financial Aid Office.

National Student Financial Aid Scheme (NSFAS)
All applications for NSFAS funding have to be made online on the NSFAS website www.nsfas.org.za.

Please take note of the annual NSFAS closing date.

The following Computer Labs on Campus are available where you can complete your applications and update your details: BMS 301, BMS Study Hall, NSB CBE, NSB E-Learning Centre and Residence 2B.

Scanning facilities (to upload your supporting documents) are also available at the Library and the Financial Aid Office, One Stop Student Services Centre, Basement, Clinical Pathology Building.

For enquiries and more information on the above please visit the Financial Aid Office or visit the NSFAS website www.nsfas.org.za. Fundi Capital (Pty) Ltd (previously known as Eduloan).

Fundi believes that the more you know, the more you can become, and they want to partner with their customers on their education journey to help them realize their dreams. Fundi understands that learning needs to go beyond finance, and they want to provide the support and assistance needed to realize the ambitions of their customers.

More importantly, they understand the challenges experienced by students. They believe that as Fundi, they can make a valuable contribution to South Africans by providing students the support and assistance they need to be successful.

Fundi remains mindful of the power of the partnerships they have developed over time.
and want to assure their customers of their continued support. Fundi will strive to deliver innovative education solutions that support and enable their customers' education ambitions.

To get more information on their new brand please visit the website on www.fundi.co.za or call the Customer Care line on 0860 55 55 44. For your convenience, all the contact and address details will stay the same.

Allowances such as books, meals and cash are offered through the Eduxtras card. For enquiries, please visit the One Stop Student Service Centre, Basement, Clinical Pathology Building (Clinpath) Building Tel. 012 521 5964.

**Additional information**

The Financial Aid Office (FAO) strives to render excellent, efficient, professional and a friendly service to students.

Financial aid offers students an opportunity to access tertiary education, however not all students qualify for assistance and financial aid is granted on the basis of certain financial and academic criteria. Students are urged to visit the FAO for more information and assistance.

---

---
Services rendered
- Administration of all registered.
- Sports and Recreation codes on campus.
- Training and Development of Athletes.
- Multi-Purpose Gymnasium
- Provide students, staff and alumni.
- The opportunity to participate on a range of indoor and outdoor sports activities such as Soccer, Rugby, Tennis, Basketball, Aerobics etc. and promote a healthy and physical wellness lifestyle.
- Co-ordinate internal and external sport activities.

Student-related activities/Committees
There are active sporting codes on campus, namely: Aerobics, Athletics, Badminton, Basketball, Bodybuilding, Chess, Cricket, Dance Sport, Karate, Netball, Pool, Rugby, Swimming, Table Tennis, Tennis and Volleyball. As a new student at the university, you are encouraged to join one or more of our sport and recreational clubs for you to enjoy your stay at the university.

A. University Sport South Africa (USSA)
Our clubs participate in the University Sport South Africa (USSA) winter tournaments and summer tournaments annually. The winter tournaments sport codes are: Badminton, Basketball, Dance Sport, Netball, Rugby and Volleyball which are held on the first week of the winter recess.

The summer tournaments sporting codes are: Aerobics, Bodybuilding, Chess, Cricket, Athletics, Karate, Pool, Soccer, Swimming, Table Tennis, and Tennis. The summer tournaments are held on the first week of the summer holidays.

Participation in the national USSA tournaments offers one an opportunity to participate internationally.

B. Sporting codes committee
The sporting codes have their own committees operating under the banner of the All Sport Council, which is the subcommittee of the SRC.

C. Community leagues
Clubs also play in the community leagues around Gauteng. All clubs have their own internal and external fixtures played on different weekdays and weekends at various venues in and around Gauteng Province.

Facilities
General Gym
All students are free to utilise the gymnasium free of charge. One simply produces one’s current student card at reception. Various training equipment is available in the centre.

Indoor Facilities
- General Gym
- Karate Hall
- Squash Court x 6
- Bodybuilding Gymnasium
- Dance Hall
- Table Tennis Hall
• Basketball Court x 2
• Volleyball Court x 2
• Badminton Court x 6

Outdoor Facilities
• Football Stadium
• Football field x 2
• Rugby Field
• Tennis Court x 4
• Netball Court x 2
• Basketball Court
• Swimming Pool

Additional information
The Department boasts having produced better sportsmen and women in the country under the following codes:
• Karate All African Games, Shinkyokushinkai World Championships 2017 participation;
  2018: - Mr Innocent Zikhali represented RSA and 2018 - Mr Amogelang Bunu: represented RSA.

Services rendered

The services are twofold:
Firstly, the student is guided through reflection for problem identification which forms part of the screening process.

Secondly, the student is then assisted either in the form of sessions offered (Life Coach) or a referral offered (List below).

- Life Coach Sessions
- Life coaching deals with helping functional people achieve greater successes by facilitating adjustment in behaviour patterns, adopting discipline and positive thinking. Areas of change includes but in not limited to creating constructive habits, overcoming fears, goals setting, personal development, becoming unstuck, and creating action plans as steps toward change.

- Referral to relevant Service Providers for further assistance with identified challenges
- Available Service Providers:
  - Student Counselling and Development Unit
  - Clinical Psychologist
  - Social Worker
  - CUTL (Centre of University Teaching and Learning)
  - Financial Aid
  - Campus Health

Additional information:
This service is available to all students who wish to gain access to any of the service providers listed above, due to lowering academic achievements or any pressing personal matter. All matters will be handled with respect, care and confidentiality.

Medical Illustration and Audio-Visual Services (MIAAVS)

Services rendered

- Medical Illustration, Art and Design.
- Clinical and General Photography.
- Scientific Photography - A broad spectrum of scientific photography is available, including microscopic, macro, gel and research photography. In addition, we are equipped for scientific documentation in-house or on location.
- Medical Television/Media – Training videos, Recordings of various medical conditions
- Audio-Visual and Technical Services.
- Academic and Administrative Support.
**Student-related activities**

- MIAAVS assist students with events on a regular basis by providing Public Address (PA) systems as well as technical assistance whenever possible and as needed. These events are normally arranged through the Student Affairs/Governance and SRC offices.
- All printing and event requests from recognized student structures and church groups must be accompanied by a letter from the Student Governance office and this is usually issued by Mr Albert Masetla.
- The department also assist students with study material by offering a colour printing/copying and lamination service at a nominal fee – printing is only done in A4 and A3 sizes. All black and white (monochrome) printing should be done in the library. Please enquire at the department for the correct price list – payment is per page per side. All payments must be made at the cashier on the 5th floor in the Clinical Pathology building and NO cash will be handled by the MIAAVS staff.
- **Very important:** no cash may be handled by MIAAVS staff.

**After hours bookings of venues**

- All after hours bookings of venues are handled by the department and student structures can book venues by submitting written requests to the Manager's office for approval. Venues are booked on a first come first served basis and availability.
- Long term booking requests must be submitted to MIAAVS early in the year to prevent disappointment.
- ALL SMU Official Events will get preference when it comes to allocating venues and structures may have to be moved to alternate venues to accommodate an official university event.
- Please complete the booking form at MIAAVS and read through the rules at the back carefully. If a student group or structure is found to be guilty of not following the rules they may be fined or alternatively banned from their venue and any other venue for a set period of time – this will depend on the transgression.

**Additional information**

- The Audio-Visual and Technical Services maintain AV equipment and systems in lecture theatres/auditoriums, classrooms, seminar rooms, etc. All equipment taken on loan must be signed for on the prescribed form and on return signed back by a member of MIAAVS. No equipment should be removed from the campus without permission and the necessary documentation as well as a campus Control/Asset form and stamp (Forms obtainable from MIAAVS reception). No equipment may be used without the permission of MIAAVS, this includes the use of data projectors and projection screens. Please contact the department should a motorized screen be lifted or brought down for any reason or the use of a data projector is required by a student group or organization.
- All lecture theatre equipment MUST be signed out from the reception, and returned after class. It is important that all equipment is returned as quickly as possible to avoid the next class starting late. It is recommended that each class elect two students that will be responsible for the collection and return of equipment to and from MIAAVS.
- Any and all loss of equipment whether due to negligence, theft or accident must be reported in writing and telephonically immediately.
MIAAVS supports all teaching, learning and research. MIAAVS offers selective (e.g. medical photography) and assist clinical skills facilitators. MIAAVS also supports laboratory-based classes and assist in the production of multimedia teaching materials and courseware. Students are invited to visit the department to familiarise themselves with the procedures, fee structure and rules that may be applicable.

**OFFICE HOURS:**
Mondays – Friday 07h30 – 16h00
Saturday/Sunday Closed
Public Holidays/University Holidays Closed

**STUDENT CONSULTATION HOURS**
*Times for ID Photo's and Colour Printing/Copies*

Background

To implement the 'SMU Blended Learning Strategy Development and Roadmap Plan' in support of the growing relevant expertise in learning pedagogy and instructional design, eLearning Unit has become a strategic partner in teaching and learning at Sefako Makgatho Health Sciences University. As a unit, we continue to serve as a valuable resource for academics and students who are new as well as well-versed with the concept of blended learning. Our support involves increasing awareness and effective use of specific available educational technologies deployed by the university through our various training programs and information sharing sessions.

Services Rendered:

- Operation of the university's state-of-the-art eLearning Centre conducive for student collaborations and learning.
- Provide training to students and academic staff on the use of Ithute, the university's learning management system.
- Provide training on submission of students' assignments and research protocols through Turnitin for purposes of academic integrity.
- Promote the use of Mobile Learning to increase student access and flexibility.
- Plan and facilitate 'First Year Experience' program for new students during orientation week.
- Create new accounts for students and academic staff on Ithute and Turnitin.
- Offer assistance to students encountering challenges with their login credentials.
- Host online assessments conducted via Ithute in various computer labs across the campus.
- Student-related Activities/ Committees
- We offer part-time work opportunities to at least six qualifying students to assist with the support and operational duties of the eLearning Centre.
- We offer part-time work opportunities to at least six qualifying students to assist with the support and operational duties of the eLearning Centre.

Additional Information
All services are free of charge.

E-Learning is open from 7:30 am until 12:00 mid night

Physical Address
Natural Science Building Basement, Room 0039D, Next to Van Schaik Bookshop.

Ms Annah Hlungwane
The main objective of the Alumni Relations Office is to establish and maintain lifelong relationships between the University and its graduates.

The Alumni Relations office strives to broaden and strengthen constant communication with graduates via the establishment of Alumni Database. The office affords Alumni Association Members to network and re-connect with each other through Alumni chapters and events such as the Golf Day, Class Reunions, etc. The office also plays a fundamental role in supporting students from previously disadvantaged backgrounds through donations and sponsorship.

SMU Alumni objectives are to create database of alumni to support academic and research enterprise. To establish support for third-stream income through alumni’s influence and to impart knowledge, make schools and academic departments aware of the value of engaging with alumni, community and private organizations.

Services rendered
- Circulate communiques through the University communication portals, such as website, student newspaper, social media and radio station.
- Planning, organizing and implementing Alumni events, according to their own programme, including purely social gatherings
- Have presence at Open Days, Orientation weeks and other university events that involve students
- The organization of institutional alumni events such as reunions
- Audit and Update database
- Conducts Alumni surveys
- Distribution of University Alumni Magazine
- Organising exco meetings and Alumni Annual general meetings (AGM),
- The implementation of an alumni giving campaign, including online giving facilities
- Establishment of regional chapters and sectors,
- Mobilising alumni to appoint or elect their representative who will serve in SMU council,
- Community Development, and
- Regular communication with Alumni and Convocation by means of the electronic newsletter, emails, sms, social media.

University working hours
Monday – Friday: 07h30 to 16h00

- Academic Computing (E-Learning online learning management solution-Blackboard)
- Basic Computer Literacy Training
- Business Systems Support

ICT department have a total of 20 computer labs that are available for use by all students for different functions as per the access schedules for the labs. The labs are supervised by student assistants employed in the department. These computer labs listed herein are manned by ICT department and are located as follows:

**General purpose computer Labs and operating hours**
- Study Hall, Basic Medical Science (BMS) building: 24/7
- BMS 301: 07h30 - 18h00
- Residence 2B: 24/7
- Glass Cabinet, Dental Building: 07h30 - 18h00
- Library Main Hall: 07h30 - 24h00
- Library Postgraduate: 07h30 - 24h00
- Library E-Room: 07h30 - 24h00
- CBE, Natural Science Building (NSB): 07h30 - 24h00
- Electronic (E) Learning Centre, NSB: 07h30 - 24h00
- Computer Science, NSB: Open as per schedule
- English Department, NSB: Open as per schedule
- Statistics Lab: Open as per schedule
- Classroom-2, Dental Building: Opens as per schedule
- NSPH, Pink Building: Opens as per schedule
- Physiology lab, BMS 308: Opens as per schedule
- Clinical Pathology-CP Ground Floor: 07h30 – 24H00
- Pharmacy, BMS: Open as per schedule

You are welcome to use any of the available labs of your choice, with an exception of the specialised labs. We have student assistants to help you in these labs, should there be a need. Please feel free to approach them at any time. The student assistants are identifiable by tags written student assistant in all computer labs.
General rules for all computer labs

- Neither food nor drinks are to be brought into the lab.
- Students shall not make noise or cause disturbances, use cellular phones, hold meetings or demonstrations inside the lab, or behave in such a manner that would interfere with or impact negatively on study and research activities of other lab students.
- Students are responsible for their email accounts and passwords which must be kept secret, secure and they are responsible for any action that takes place from a computer logged in with their account.
- Students must log out prior to leaving the computer lab.
- Students shall not give other people access to their accounts.
- No student may make use of an unauthorised account other than what has been issued to them personally by the University.
- Student accounts are not transferable.
- Student password must be alpha numeric and be changes regularly for security.
- No student is allowed to send a broadcast message(s) in the university community.
- Tampering with the computer lab facilities is not permitted.
- A student may not tamper with computer lab hardware, Complementary Metal-Oxide- Semiconductor (CMOS) settings, software settings, the network, University data, and the list is endless.
- A student may not attempt to open computers, access their components, or remove any part of a computer from the lab, including keyboard and/or mouse.
- Use of the computer facilities by a student for financial gain, whether directly or indirectly is prohibited.
- Should a student contravene the above mentioned rules, the Student Assistants or his/her nominee must report immediately to supervisor responsible for all student assistants. Upon reporting the university student disciplinary process shall be followed.
- A student may appeal in writing against the decision of university through available channels in university policy.

ICT management wishes all first entering students a fruitful and beneficial academic year ahead of their studies.

Additional information

ICT department, we are here to make your study life easier by providing necessary tools and platforms that will enable you during your study period @ SMU. We do this by providing you access to computer laboratories, wifi, student email and various software's at no additional cost to students.
ICT department employs undergraduate/postgraduate student in final years as general student assistants and student technical assistant (STAS) to support students in the use of computer labs and also further support student personal computers to enhance their studying and utilising the university resources appropriated to student domain.

1. Wifi access @ residences of SMU

Wifi connections available in student residences and on campus designated areas. For security reasons, access is managed and authorised only to registered SMU students. Student Assistants will assist in configuring wifi connectivity and provide the necessary credentials from the Student Technical Assistants office in the basement of the NSB building.

2. Student email account @ SMU

All registered students are provided with a free email for communication purposes. The email credentials may be acquired from the Student Technical Assistants office in the NSB basement.

Note that the email provided could be kept or used for life. This is done in order to maintain communication with SMU students well after they have left the institution. Students must use the email within prescripts of the law and university policies which are found in the university intranet page.

Below are the steps how students can access to Blackboard:

Step 1 : type the URL- www.google.co.za
Step 2 : click Sign in
Step 3 : type email address studentnumber@swave.smu.ac.za
Step 4 : type password
Step 5 : click the link Mail

3. Student approved software @ SMU

Students may not use a copied, illegal or pirated software in the university computers or personal computers and may not connect them into the university ICT infrastructure thereafter.

A standard suite of software is installed in all general purpose labs.

Student are encouraged to use office 365 suite and other accredited free software's provided by the university in the portal. Students should acquire their own software when purchasing their own computers in the event of additional requirement which are not provided in the university.

Students may also make use of the Student Technology Program (STP) to purchase computers and tablets at reduced prices inclusive of software at no extra cost. For more information, you can contact student technical assistants office.
4. Anti-viruses requirements @SMU
Students should make sure their personal computers always have updated antivirus software running before using university ICT network infrastructure. All computers in the labs are configured to run the latest virus scanners on a daily basis.

5. Online Learning Management System (blackboard) @ SMU
Blackboard is a teaching and learning management system providing online courses, assessments, group discussions, do test, assignments, quizzes and allow interaction between lectures and students and students amongst themselves using educational technology at Sefako Makgatho Health Sciences University. Such solutions include mainly, access to online course content via web-based or mobile access.

Below are the steps how students can access to Blackboard:
Step 1: type the URL: https://ithute.smu.ac.za
Step 2: type username
Step 3: type password (Default password 'changeme')
