**TO : SMU STAFF AND STUDENTS**  
**FROM : PROF. T MATSHA-ERASMUS: DVC (ACADEMIC AND RESEARCH)**  
**DATE : 12 OCTOBER 2022**  
**SUBJECT : POSTPONEMENT OF ASSESMENTS (SCHOOL OF MEDICINE)**

Dear SMU Community

**Postponement of Assessments (School of Medicine) on 12 October 2022**

On Wednesday, 12 October 2022, the assessments in the School of Medicine were suspended due to challenges related to the School. Although efforts are being made to address the students' issues speedily, the effect it causes on the teaching and learning activities cannot be overlooked. Following consultation, we have, therefore, postponed all assessments. Please note that the postponement of assessments is for until Friday 14 October 2022. Students must, however, continue attending classes and clinicals.

We thank you for your understanding.

Yours faithfully

**Prof. Tandi Matsha-Erasmus**

**DVC: Academic and Research**
