The incumbent will report directly to the Head of Department in Orthopaedics Surgery and collaborate with the Educator Manager Clinical Integrated Programmes and will furthermore meet the requirements and competencies as indicated and be responsible for the key performance areas listed below.

REQUIREMENTS

- MBCHB
- MMed (Orthopaedics Surgery)
- Teaching experience at a tertiary institution, or 5 years' professional experience in the relevant field or experience in student supervision in an academic health institution
- Current registration with HPCSA as Medical Officer or Registrar or Specialist
- Publications in peer reviewed and/or non- peer reviewed journals will be a strong recommendation
- Evidence of participation in community project or community related activities which enhance the scholarly reputation of SMU
- Computer literate (Word-processing, Power Point, Excel, Internet & e-mail)
- Experience with teaching online, using electronic software/e-learning packages
- Proven ability to navigate online platforms such as Zoom and Microsoft Teams with requisite proficiency

COMPETENCIES

- Technical/professional knowledge and skills
- Good interpersonal, presentation and communication skills (written and spoken)
- Good report writing skills
- Personal impact, stature, and credibility with unquestionable integrity
- Problem solving and analytical skills
- Client service orientation
- Ability to work in various teams
- Ability to keep information confidential
- Planning and organisational skills
- Ability to work under pressure and meet deadlines
- Committed and dedicated work ethos

KEY PERFORMANCE AREAS

- Facilitate teaching, learning and assessment events with students pertaining to Orthopaedics Surgery, including at Primary Health Care level involving patients with undifferential diagnosis and/or orthopaedics emergencies
- Upgrade of course content/development of new course materials and/or modules in order to keep up with the latest requirements of the sector/discipline aligned with the school and programme objectives
- Reflect on and utilize new and emerging approaches and technology in teaching and learning including identification of learning media and application of appropriate assessment methods
- Reflect on, select and use suitable reference material and professional preparation of notes to supplement prescribed textbooks, develop learning guides
- Contribute to the development and integration of community engagement interventions into academic curriculum
- Facilitate for the creation of simulated situations during which the practical components of the syllabus can be implemented effectively achieving the mostly desired learning objectives
- Plan for and develop assessment questions and OSCE stations
- Monitor and supervise tests and examinations thus accordingly recording students' results
- Develop, revise and submit programmes for accreditation by relevant accreditation bodies
- Monitor student progress and timeously identify students at risk thus developing appropriate intervention strategies including supplementary instruction, mentoring and coaching
- Develop, review and Implement policies and procedures applicable to the teaching and learning, community engagement, research and academic administration functions
- Contribute to quality assurance through appropriate committee meetings and development of quality assurance improvement strategies including feedback from relevant stakeholders
- Contribute to the expansion of academic related decision-making and development of tailored action plans
- Co-ordinates safety inspections, interventions and proactively monitor and enforce compliance to Health and Safety policies, processes and procedures
- Initiate and conduct appropriate research thus contributing to a scholarship footprint at educational and other conferences and publishing results and keeping abreast of professional literature and curriculum development
- Contribute to the overall development of SMU, and actively promote institutional culture
- Any other duties assigned by the HOD and/or Dean

.....
