SEFAKO MAKGATHO HEALTH SCIENCES UNIVERSITY
SCHOOL OF SCIENCE AND TECHNOLOGY
COMPUTER SCIENCE & INFORMATION TECHNOLOGY

Sefako Makgatho Health Sciences University (SMU) is on a renewal path with exciting and unique opportunities to shape the training of medical and other health professionals, and scientists in general. We are on a vigorous campaign to attract top talent to join our exciting journey, as reflected in the opportunities below:

SMU currently participates in the “**New Generation of Academics**” Programme (nGAP) funded by the Department of Higher Education and Training and is aimed at producing the next generation of academics for South Africa’s universities. **nGAP is transformative in nature, therefore 80% of the positions must be allocated to Black/or women South African citizens.**

The following position is currently available as part of the nGAP.

nGAP LECTURER (Artificial Intelligence) (1 Post)

Ref: 37/nGAP9/NGM/2021/P8

This position grants the incumbent the opportunity to fully participate in the **Implementation of the “Staffing South Africa’s Universities” Framework**. The incumbent will be involved in Teaching and learning, research and community engagement and will report to the Head of Department: Computer Science and Information Technology. He/She **will be appointed permanently on a substantive position as Lecturer**. The incumbent must meet the job requirements and competencies and be responsible for the following key performance areas:

REQUIREMENTS

- An appropriate Master’s degree in Computer Science or Information Technology
- Prospective candidates should have achieved an average of 70% or above in the Master’s degree
- A course or module in Data Structures or Algorithms or Artificial Intelligence at BSc (**submit BSc transcript**)
- One year or limited experience in teaching in Higher Education
- A publication in an accredited journal
- Must be forty (40) years or younger
- Commit to the completion of Doctoral studies, within a prescribed period, where the applicant only has a Master’s degree, or commit to the completion of PhD studies, within a prescribed period, where the applicant has already registered for a doctoral degree.

Sunday Times, 12 May 2024

- Be prepared to sign a contract of employment committing to the full duration of training in the “Staffing South Africa’s University’s Framework” Development Programme over six years
- Be a South African citizen

COMPETENCIES

- Technical/professional knowledge and skill
- Formal presentation
- Personal integrity, being able to work in various teams and the ability to keep information confidential
- Computer literate (word processing and Power Point presentations, Internet & e-mail)
- Good writing, communication and presentation skills
- Good planning and organizing skills
- Good interpersonal skills
- Problem solving skills
- Client service orientation

KEY PERFORMANCE AREAS (KPA's)

- To successfully participate in the “Staffing South Africa’s University’s Framework” Development Programme over six years
- Undertake Teaching and learning, research and community engagement in Computer Science and Information Technology on a reduced workload for the first three years and thereafter gradually increasing to a full workload
- Register and complete PhD studies, where the applicant only has a Master’s degree.
- Commit to working with an appointed mentor and ensure an effective mentor-mentee relationship
- Attend agreed-upon short courses on research, teaching and development over the duration of the programme
- Submit a detailed annual report on participation and progress in the Development Programme over the first six years
- Contribute to the overall development of SMU, and actively improve institutional culture
- Perform any other duties assigned by the HOD and/or Dean

.....

Closing date: 31 May 2024
