The Sefako Makgatho Health Sciences University hereby invites interested, qualified, and suitable service providers to submit a quotation to connect the backup water tanks to ablution facilities in all Residences. The submitted quote **must** indicate/include the following:

- Company letterhead, which also includes the Full Name of the Company
- Details of the contact person
- Company registration number
- Company CSD number
- Company VAT number (*if VAT vendor*)
- Price/s must include VAT (*for VAT vendors*)
- Delivery Period, i.e., delivery to the university after receipt of an official order
- Offer validity (Minimum of 30 days from the closing date)

Mandatory Returnable Documents

No	Mandatory Returnable Documents
1.	A valid letter of good standing from the Department of Employment and Labor Act (COIDA) or any approved private insurance firm that is relevant to the scope of work
2.	Proof of a valid and active CIDB registration with CIDB grading 1SO or higher
3.	Minimum of two (2) contactable reference letters or completion certificates for plumbing completed in the last five (5) years (2020 – 2025)
4.	Proof of the most recent Central Supplier Database (CSD) registration report printed within the month of the advert of the RFQ
5.	Valid B-BBEE certificate issued by a SANAS-accredited verification agency unless the bidder is an Exempted Micro Enterprise (EME) or a Qualifying Small Enterprise (QSE), in which case the bidder may submit a sworn affidavit in accordance with the B-BBEE Act
6.	A valid certificate or proof that the bidder has registered as a member of the Plumbing Industry Registration Board (PIRB) or any other registered national body in the plumbing environment

Scope of Work
BOQ ATTACHED

Important notes for contractors:

- a) Works must be done according to SABS
- b) The contractor must ensure compliance with Occupational Health and Safety Act of 1993. Failure may lead to the contract being terminated with immediate effect
- c) The contractor is required to visit the site to familiarize themselves with the condition of the services to be provided.
- d) The contractor is advised not to execute any additional work other than specified above
- e) Electrical work must be carried out by a qualified installation electrician
- f) Plumbing work must be carried out by a qualified Artisan/Tradesman
- g) One-year warranty on workmanship after project handover
- h) Certified Artisan Plumber that can issue a valid COC.
- i) Guarantees on plumbing connection for 12 months.
- j) Guarantees on the JOJO tank 10 years warranty.
- k) Reference Letters of previously completed works of similar nature.
- l) Confirmation that the installation will be done in line with NBR and Building Standards Act 103 of 1977 and the occupational Health and Safety Act 85 of 1993.

Please note that SMU reserves the right to:

- Amend the goods, services or works outlined in the RFQ and request bidders to resubmit quotations reflecting the changes
- Disqualify any quotation that fails to comply with the provided instructions and specifications
- Reject any quotations received after the stated submission deadline
- Not appoint or accept any lowest quotation or appoint any other service provider

Please send your quotation as per the above to this Email: senamile.zulu@smu.ac.za; only e-mailed submissions will be accepted.
