

Explore how to submit a Test on iThute

Step 1: Locate the test on your Course Content Page or the Gradebook page and click on it.

Step 2: Before you start a test, ensure that you have read your lecturer's instructions and have a look at the Details & Information to see if your test is timed, how many attempts you have, how much the test counts, and when it is due.

Step 3: When your test has a timer, you will see this pop-up before you start your test.

Step 4: This is how the inside of a test will display.

This screenshot shows a test interface with several annotations. At the top, a purple progress bar indicates '10 minutes remaining' and '2 OF 3 QUESTIONS REMAINING'. A red arrow points from the timer to the question count. Below the progress bar, a black box with white text says: 'You can click on the icon next to remaining to hide the timer.' Another black box says: 'How many questions are in your test.' The main question area displays 'Question 1' with a '2 Points' label. The question is: 'Which colour can be found at the center of the flag of South Africa?'. There are four radio button options: (A) Black, (B) Red, (C) Green, and (D) Blue. Option (C) is selected. A black box with white text says: 'In this example the test is set to display one question at a time with no backtracking, you must click on Continue to move onto the next questions.' A red arrow points to a 'Continue' button. On the right side, there is a 'Details & Information' section with 'Assessment due date' (7/31/23, 12:00 AM (UTC+2)), 'Time limit' (10 minutes | Automatic submission), 'Attempts' (1 attempt left), and 'Grading' (Maximum points: 5 points). At the bottom, there is a 'Last saved 11:13:27 AM' message and a 'You're not able to go back to the previous page in this assessment' warning. The bottom right has 'Save and Close' and 'Submit' buttons.

Step 5: Only click on Submit when you are 100% sure you are done with your test. Make sure to pay attention to the questions remaining to avoid submitting an incomplete test.

This screenshot shows a test interface with several annotations. At the top, a green progress bar indicates '9 minutes remaining' and '0 OF 3 QUESTIONS REMAINING'. A red arrow points from the question count to the progress bar. Below the progress bar, a black box with white text says: 'This green bar and the number of questions remaining is a clear indicator of where you are in the test.' The main question area displays a tall image of a bridge over a river. A black box with white text says: 'This is a tall image. Scroll down to display the entire image.' Below the image, there are four smaller images: a bridge, a mountain, a temple, and a lighthouse. A blue 'X' icon is visible on the lighthouse image. On the right side, there is a 'Details & Information' section with 'Assessment due date' (7/31/23, 12:00 AM (UTC+2)), 'Time limit' (10 minutes | Automatic submission), 'Attempts' (1 attempt left), and 'Grading' (Maximum points: 5 points). A black box with white text says: 'Only click on Submit once you are sure that you have answered all the questions.' A red arrow points to the 'Submit' button. At the bottom, there is a 'Last saved 11:14:32 AM' message and a 'You're not able to go back to the previous page in this assessment' warning. The bottom right has 'Save and Close' and 'Submit' buttons.
