Ref: 10/2021/JSM/P8/P7

The incumbent will be responsible for teaching, learning and research within the Department of Anatomy and Histology in line with University's teaching and research strategy. The incumbent will report to the HOD: Anatomy and Histology, and must meet the requirements and be responsible for the competencies and key performance areas below:

REQUIREMENTS

Senior Lecturer

- PhD in Anatomy
- A full Anatomy course (Gross anatomy, Histology and Embryology) should have been covered at undergraduate level
- At least three (3) years' experience in postgraduate teaching of Anatomy courses
- Experience in teaching both undergraduate and postgraduate students
- Evidence of at least three (3) publications in SAPSE accredited journals in Anatomy or any field of Medicine or Dentistry
- Evidence of successful curriculum development and academic management
- Experience in managing research programs and postgraduate student supervision
- Experience in development and reviewing of research proposals

Lecturer

- Masters degree in Anatomy
- A full anatomy course (Gross anatomy, Histology and Embryology) should have been covered at undergraduate level
- Equivalent degrees may be considered, provided Anatomy was a major course of the basic degree
- At least two (2) years' experience teaching both undergraduate and postgraduate students
- Research publications will be an added advantage

- Knowledge of e-learning will be a strong recommendation

COMPETENCIES

- Personal integrity, being able to work in various teams and the ability to keep information confidential
- Computer literate (word processing and Power Point presentations, Internet & e-mail)
- Good writing, communication and presentation skills
- Good interpersonal skills
- Problem solving skills
- Client service orientation

KEY PERFORMANCE AREAS

- Formal instruction in the undergraduate and postgraduate Medical, Dental, Science and Health Care Science students in Gross Anatomy, Histology, Neuro-Anatomy and Embryology, as well as conducting practicals
- Co-ordinate undergraduate and postgraduate programmes
- Involved in the development of new courses
- Participate in departmental research activities
- Publish research articles in SAPSE accredited journals and present papers at scientific conferences
- Act as a research project leader and conduct appropriate research independently or in collaboration with colleagues within the university in line with University's strategic objectives
- Contribute to the overall development of SMU
- Actively promote institutional culture
- Any duties as assigned by the HOD
