REQUIREMENTS

- Master's degree in Education /Educational Psychology / Higher Education or related field
- Registered with HPCSA as Educational or Counselling Psychologist
- At least three (3) years' experience in providing assistance to students at risk and the tracking, follow through and advancement of such students

COMPETENCIES

- Technical/ professional knowledge and skill
- Excellent interpersonal, communication and presentation skills
- Good coaching and mentoring skills
- Decision making and problem solving skills
- Computer literacy (MS Package, mostly Excel and learner tracking systems)
- Building strategic alliances and partnerships
- Good Interpersonal skills
- Professional and ethical standards
- Adaptability
- Client/student service orientation

KEY PERFORMANCE AREAS

- Track and analyse academic performance (formative and summative) of all students at all year levels
- Identify and refer at risk students for counselling and academic support
- Report first time failing (module level) as well as repeater students (programme level) for follow-up and referral to relevant student support services
- Contract with the student for suitable support and/or making the appropriate referral and follow-up where required
- Provide statistics to report to lecturers, programme leaders, schools and management
- Record and report on national benchmark tests and any other university accustomed test results for purposes of identifying and supporting students at risk
- Run student support workshops for students at risk
- Coordinate student excellence / merit awards annual event
- Perform evaluation / impact surveys with employers
- Quality assurance management
- Contribute to the overall development of SMU and actively improve institutional culture
