ANNUAL FUND & HARAMBEE ANNUAL FUND

**DONATE
TO
SMU**

OBJECTIVE:

The objective of the fund is to mobilize resources for the University in support of its noble vision of transforming health services through excellence and innovation. This vision is inhibited by lack of social welfare for our students. SMU calls upon you to partner with us in our plight to raise philanthropic money to meet SMU students' immediate social needs.

SUPPORT FOR STUDENTS E-LEARNING GADGETS PROGRAMME:

Owing to the COVID-19 pandemic, SMU is challenged to support its learning project via a multi-modal approach. The fund therefore aims to help needy students with learning gadgets such as laptop, tablets and the requisite data.
