HEALTH SCIENCES UNIVERSITY

ANNUAL FUND & HARAMBEE ANNUAL FUND

**DONATE

SMU**

OBJECTIVE:

The objective of the fund is to mobilize resources for the University in support of its noble vision of transforming health services through excellence and innovation. This vision is inhibited by lack of social welfare for our students. SMU calls upon you to partner with us in our plight to raise philanthropic money to meet SMU students' immediate social needs.

SUPPORT FOR SCHOLARSHIP PROGRAMME:

SMU is heavily reliant on NSFAS for student funding. This programme aims to augment the current bursary donor pool to the benefit of academically deserving yet needy students
